• School Website: <http://web1.nbed.nb.ca/sites/ASD-W/Ohs>

Welcome to Geometry Measurement and Finance (GMF) 10 with Mme McCleave! This semester's math class promises to be engaging, fun and packed with a variety of learning opportunities. In this course, we will apply mathematical concepts to real-world scenarios and explore how math is used in the workplace and our daily lives. In the finance unit we will learn about unit pricing and currency exchange, earning an income and financial services. The measurement unit will provide experience in conversions of measurement, mass, temperature, volume, and capacity. The last unit of geometry will mainly focus on trigonometry of right triangles.

Curriculum Topics:

- Unit 1 : Finance
- Unit 2 : Measurement
- Unit 3 : Geometry

Online Learning

This year, students will be physically attending school every other day on a rotational basis. On school days that students are home; it is expected that they are engaged in online learning directed by Mme McCleave. Students will be expected to access their home learning resources via Microsoft Teams. Parents can access daily lessons and assigned work via our class website: <https://mmemccleave.com>. Students will be able to access this directly through Teams.

Classroom Expectations

- Follow the safety procedures in place as per the school's operational plan
- Be on time, on task & prepared to learn!
- RESPECT peers, the teacher and the classroom environment
- Be RESPONSIBLE for YOUR OWN learning
- Keep electronics PUT AWAY unless directed by Mme McCleave for learning purposes

French Language

Students are expected to speak only French in my classroom as well as all French Immersion classrooms at OHS. Parent support and encouragement in this matter is much appreciated!

Marks & School Portal

Marks and attendance will be updated and published regularly on the [OHS Parent and Student Portals](#). Families are strongly encouraged to visit the portal often to view student progress. If you are not yet signed up for the portal, please do so at the OHS main office.

Communication

I strongly believe that regular communication with a student's home has a positive influence on their school life. I encourage parents to contact me at any time via email or telephone. We are part of a team in supporting your child's progress at OHS!

Evaluation

Assessments -----70%
 (In class evaluations & practice work)
 Midterm 1 -----15%
 Midterm 2 (June Exam Period) -----15%

Materials needed daily

- ✓ Pencils
- ✓ Calculator (cell phone not permitted)
- ✓ Graph Paper
- ✓ Loose-leaf paper
- ✓ Ruler
- ✓ Binder
- ✓ Textbook issued by Mme McCleave
MathWorks 10 New Brunswick Edition
 - \$72 replacement cost for lost textbooks

Math Practice & Assignments

Students are expected to be responsible for their own learning. Students must plan time for regular math practice outside of math class. They should make sure they understand the material and seek help as soon as there is a problem. Students are also expected to ensure that corrections are made to daily assignments, quizzes and tests. Students should work hard daily to avoid becoming overwhelmed at test and exam time. Missing work will be assigned a "zero" until the work has been handed in for correction and feedback.

Extra Help

Students can arrange an appointment time for extra help, by asking in person or via email. I am committed to helping students reach their full potential and will be flexible and varied in appointment times available. Students may also be asked to attend extra help, as needed.
