• School Website: <http://web1.nbed.nb.ca/sites/ASD-W/Ohs>

Welcome to Math 9 with Mme McCleave! This year's math class promises to be engaging, fun and packed with a variety of learning opportunities. We will explore rational numbers by ordering and comparing, solve problems that involve operations on rational numbers, determine the square root of positive rational numbers, determine surface area of 3-D composite objects, demonstrate an understanding of similar polygons, interpret scale diagrams of 2-D shapes, and discover the properties of a circle.

Curriculum Topics:

- Chapter 3: Rational Numbers
- Chapter 1: Square Roots and Surface Area
- Chapter 7: Similarity and Transformations
- Chapter 8: Circle Geometry

Online Learning

Students can access daily lessons, practice work and resources on our class website via Microsoft Teams. Parents can access daily lessons and assigned work via our class website: <https://mmemccleave.com>. This is intended to keep parents and students up to date if absent as well as to be prepared for full online learning, should that be needed.

Classroom Expectations

- Follow the safety procedures in place as per the school's operational plan
- Be on time, on task & prepared to learn!
- RESPECT peers, the teacher, and the classroom environment.
- Be RESPONSIBLE for YOUR OWN learning.
- Keep electronics PUT AWAY unless directed by Mme McCleave for learning purposes

French Language

Students are expected to speak only French in my classroom as well as all French Immersion classrooms at OHS. Parent support and encouragement in this matter is much appreciated!

Marks & School Portal

Marks and attendance will be updated and published regularly on the [OHS Parent and Student Portals](#). Families are strongly encouraged to visit the portal often to view student progress. If you are not yet signed up for the portal, please do so at the OHS main office.

Student Name: _____
Student Signature: _____
Parent Signature: _____

Assessments -----70%
(In class evaluations & practice work)
Midterm 1 -----15%
Midterm 2 (January Exam Period) -----15%

Materials needed daily

- ✓ Pencils
- ✓ Calculator (cell phone not permitted)
- ✓ Graph Paper
- ✓ Loose-leaf paper
- ✓ Ruler
- ✓ Binder
- ✓ Textbook issued by Mme McCleave
Mathématiques 9
 - \$100 replacement cost for lost textbooks

Math Practice & Assignments

Students are expected to be responsible for their own learning. Students must plan time for regular math practice outside of math class. They should make sure they understand the material and seek help as soon as there is a problem. Students are also expected to ensure that corrections are made to daily assignments, quizzes, and tests. Students should work hard daily to avoid becoming overwhelmed at test and exam time. Missing work will be assigned a "zero" until the work has been handed in for correction and feedback.

Extra Help

There will be extra help every Tuesday and Thursday from 12:30 – 1:10. Students must notify Mme McCleave that they will be attending extra help prior to attending. When needed, students may be asked to attend extra help, in which case it is mandatory.

Communication

I strongly believe that regular communication with a student's home has a positive influence on their school life. I encourage parents to contact me at any time via email or telephone. We are part of a team in supporting your child's progress at OHS!
